

~ Proud to Present Online Music Academy ~

**Classya™ On-line** :The World Wide Real-Time Direct Access to Studios of Distinguished Music Teachers, and Teacher Training Resources and Methodologies. eliminating expensive, time-consuming traveling and matriculation arrangements.

**What is so “unique” about “Classya™-online”:** All 3 Interconnected Levels:

- Kids and Parents Conservatory
- School of Professional Mastery
- Music Teacher Institute

- Internationally acclaimed teachers and performers (the “Maestrat”) from leading schools including Longy (Cambridge, MA) and Julliard (New York) Schools of Music
- Technology: Supported by WIA Technologies, Inc (WIATech™, USA) systems that deploy exclusive compression algorithms, software and US-made hardware for science, security and communication, designed to deliver real-time (30 fps) video streaming over Internet with extremely low bandwidth requirements.
- Phenomenal opportunities WIATech™ provides teachers and performers with visual stream synchronization multi-camera/multi- microphone systems, which allow to see up-to 4 different views of the teacher and the performer at once, as well as several locations/teachers simultaneously on 1 viewer screen.
- Students can receive extraordinary two–way one-on-one instruction, attend a master class, participate in an interactive seminar, listen to a lecture or concert, and take a course in piano or violin pedagogy.
- Web Services: Powered by most powerful content and learning management systems, located at 2 USA locations that contain learning materials, scheduling and communications tools, and ultimately manages educational process 24/7

### THE MAESTRAT

Classya network of teachers and specialists in music pedagogy, dedicated to raising great musicians, providing exceptional training for teachers, and fostering true appreciation for classical music and related arts.
